Henderson Girls Softball Association/Player/Parent Contract

This contract is designed to inform parents & players of HGSA/ASA rules & policies that apply to the parents' & players role in their softball participation. It is very important that players/parents/relatives/friends follow these rules & sets a positive example for our impressionable young ladies. Sportsmanship & Teamwork include the families as well as the players, coaches & their staff. HGSA HAS A "ZERO TOLERANCE POLICY".

1. Understand that, according to HGSA Rules, an adult female must be present at all games, practices, or other team events. Parents will not leave their daughters at the fields unless 2 adults are present (one of those adults must be female). For safety reasons, if you did not remain at field, you must let the coach know you have returned, & get any information from the team. If you have made arrangements for someone else to pick up your daughter, you must let the coach know. Be prompt in picking up your daughter & let the coach know if you will be late.
2. Softball is a team sport, & every player is important. By committing to this team you are committing to attend all practices & games at the time specified by the coaching staff. Absences should be limited to those that are only absolutely necessary (illness, school functions, & family emergencies), as absences will have a negative effect on the entire team
3. Once drafts have occurred, your daughters are bound to that team for the remainder of the season, & will not be released to play on another team or with another organization (including "A" ball).
4. Team/player recruiting is a violation of both HGSA & ASA Rules & there should be no discussion of your daughter's future softball plans with others until the season is over.
5. No one other than players & the coaching staff is allowed in the team dugout at any time, & only registered & insured team-staff is allowed on the field. Any person interacting with the players MUST be back round checked and Ace Certified.

I understand that as a player/parent my actions have the potential to influence others & I want the team to function with the highest possible standards for all participants. Therefore, I promise to conduct myself in accordance with the HGSA Code of Ethics:

- I will abide by all ASA and HGSA League Rules.
- I will treat all players, team staff, parents, umpires, Board members & spectators with respect.
- I will never physically or verbally abuse a player, team staff, umpire, Board member or spectator.
- I will never use vulgar, or foul language towards any player, team staff, umpire, Board Member, fan
- I will not confront players, team staff or Board members on the field or in the presence of players.
- I understand that all formal complaints must be submitted to the Board in writing.
- I will not say, or do, anything to undermine the authority or decisions of the team staff.

I agree to comply with all the rules stated above & am aware that HGSA withholds the right to set forth sanctions for any violations of those rules, from a verbal warning to a permanent suspension – depending on the severity of the violation.

Failure to comply will result in penalties & could result in permanent suspension from the facility. We are truly blessed to have such a beautiful park for the families to enjoy, PLEASE KEEP IT THAT WAY!!!
